## A Letter to Customers about Adjusting The Company's Trademark

Dear customers,

We sincerely appreciate your attention and trust in our products!

According to Simon's unified deployment, the trademark of Simon Electric (China) Co., Ltd. will be gradually adjusted from  **simon** to **simon**.

As the adjustment above involves a wide range and many parts, our products on the market may be labelled with **simon** and  **simon**. It is a transient adjustment period.

We solemnly illustrate that products with **simon**,  **simon** and **simtone** trademarks all belong to us and they have passed 3C, CE, CB, BS, SAA, PSD, ETL, UL and other authentications. The quality, service commitment and anti-counterfeit inquiry remain the same.

Sorry for bringing so many inconveniences and we thank you for your understanding! If you have any questions, you are welcome to call our customer service hotlines 400 820 5960 and 800 820 5960.

Thanks for your understanding and trust again!
